Dear Chairman Cohen Gresko and Distinguished Members of the  
Environment Committee,

I am writing in support of house bill No. 5145- An Act Concerning The  
Use Of Portable Wastewater Containers.

As a camper in Connecticut for the past fifty years I would like to see the  
use of portable tote tanks for disposal of wastewater at both private and  
state run campgrounds. I believe these sanitary tanks help control the  
long lines at the campground dump stations which can have an  
environmental impact as vehicles sit idling. The use of these tanks also  
helps eliminate the illegal dumping on the side of the roadways.

Thank you
